FIG 4

FIG. 5

This diagram shows an exploded perspective view of a container assembly 100. The assembly includes a main container body 106, a lid 114, and a base 122. The lid 114 is shown with a dashed line indicating its position relative to the container body 106. The base 122 is shown with a dashed line indicating its position relative to the container body 106. The container body 106 has a front panel 128 and a side panel 132. The lid 114 has a front panel 136 and a side panel 138. The base 122 has a front panel 126 and a side panel 130. The assembly is shown in an exploded view to illustrate the relationship between the components.
